S. BLUESTONE

Arkville, N. Y.

After Korn's Store at Arkville being closed for over two years and for reasons, well-known, we came, looked it over, rented it, in a very short time remodeled it, stocked up with seasonable merchandise, and opened the doors for business last Saturday.

Although the weather wasn't very favorable, a great many of our old friends—some to congratulate, many to make purchases—came from all the surrounding villages. And we certainly appreciate it.

This is the year that people are going to make every penny count. That doesn't mean that they will buy cheap things. Instead, they will get the best they can for as little as they need to spend.

For the last 24 years Bluestone's has stood the test of giving values and this year we will do our utmost to give merchandise up in quality and at the lowest possible prices.
